

Application of: YOO, Won Seok
Serial No.: Not yet known
Preliminary Amendment

REMARKS

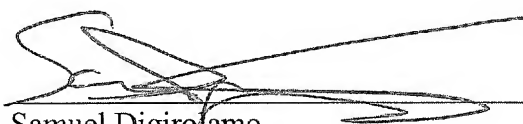

Applicant is amending eighteen (18) claims out of the existing twenty (20) claims, canceling two (2) dependent claims, and adding one (1) independent and one (1) dependent claims to correct faulty English set forth in the English translation of the present application and to particularly point out and distinctly claim the subject matter. Applicant is also adding CROSS REFERENCE TO RELATED APPLICATIONS and other paragraphs to the specification of the present application to correct faulty English set forth in the English translation of the PCT publication. The title of the invention has been also amended to correct faulty English set forth in the English translation of the PCT publication. Further, the specification has been reformatted according to the U.S. practice. Further, Applicant is amending Figs. 1, 2, 4, 5 and 6 according to changes in the specification.

If any issue regarding the allowability of any of the pending claims in the present application could be readily resolved, or if other action could be taken to further advance this application such as an Examiner's amendment, or if the Examiner should have any questions regarding the present amendment, it is respectfully requested that the Examiner please telephone Applicant's undersigned attorney in this regard.

Respectfully submitted,
